FEES:

- There will be a non-refundable booking fee of \$NZ450 + GST which is required upon signing of this contract. This fee will be deducted from the Service Fee of \$NZ1950 + GST.
- The remaining balance of the Service Fee of \$NZ1500 + GST is to be paid in full before the shipment of semen is sent.
- A Collection Fee of \$NZ350 + GST for each collection is to be paid in full before the shipment of semen is sent.
- Shipment Fees are at cost at the Mares Owners expense and to be paid in full before the shipment of semen is sent. Amberley House use tracked courier services for this.
- Mare owners are responsible for the return of the semen container. If not returned within 2 weeks, you will be billed \$50 for the cost of a new one.

None of these fees are refundable if for any reason a live foal isn't bred. Amberley House do however offer a return service guarantee if mare does not produce a live foal, as part of these fees strictly on the terms below.

Conditions of Service and Return Service Guarantee:

- An order for semen must be placed 48 hours before the semen is required to ensure we can meet your requirements.
- Lion king is offered for stud duties as a fit and healthy horse with no known genetic issues. He has been DNA tested and is WFFS cleared (Through Massey University) . The breeder recognises that with any breeding that unfortunate situations can arise and as such Amberley House will not be liable for the future health of the progeny.
- The Mare Owner is responsible for checking the semen availability periods with Amberley House in advance as Remi Lion King is out competing during the 2021/22 breeding season.
- If the mare fails to get in foal she will be entitled to a return service no more than three times either the same or no later than the following season upon presentation of vet certificate for each failure. The Mare Owner will be liable for each associated Collection and Shipment Fees which must be paid before semen is shipped.

- If the mare tests positive for pregnancy but becomes barren during gestation the mare is entitled to a return service if Amberley House is presented with a veterinary certificate confirming the loss of pregnancy diagnosis within 10 days of the diagnosis. The Mare Owner will be liable for each associated Collection and Shipment Fees which must be paid before semen is shipped.
- If the mare produces a live foal that subsequently dies within 7 days, the mare is entitled to a return service once Amberley House is presented with a veterinary certificate of the foals death within 10 days of the foals death. It is also required the certificate states that the Mare Owner abided to proper mare care during her gestation and that someone was present upon foaling.
- Any entitlement for a return service can only be used for the mare stipulated in this Service Contract, unless is agreed by Stallion owner and a new service contract is completed.
- Amberley House will not be liable for any damage, delayed or lost semen due to circumstances out of their control.
- A mare identification sheet is required to be filled out by your veterinarian with confirmation of the insemination of the mare and the amount of semen used and immediately provided to Amberley House.
- If the mare is sold this contract or return service guarantee is not eligible to be transferred to the new mare owner.
- Amberley House will always do their utmost to collect in a timely manner but will not be responsible for any costs incurred due to collection being unable to be done due to ill health, natural disasters or causes beyond their control.
- Remi Lion King is available for stud service from Mid October until End of February (excluding Public Holidays).
